MODEL 2025

*Benefit from 30 years
of EFQM Model
Experience!*

Organize a Self-Assessment - Assess an Organization
Learn about Best Practice Principles

Overview

This EFQM Assessor Online Training was newly designed (based on the EFQM Model 2025) for individuals who want to understand, apply the EFQM Model within their working environment, and know variations of organizational self-assessments or be part of a team conducting external EFQM assessments. Using award application documents, participants will learn the tasks of an EFQM Assessor. This training is also a pre-requisite for anyone who wishes to become an Award Assessor for EFQM.

Are you interested to learn how to use the EFQM Model to identify/drive improvements at your organisation? Do you want to expand your Excellence skills and get recognized as an EFQM Assessor (EFQM Training Certificate, listing on the ITQM website). Then this training is for you!

Goals

After this three-day-online-training, you will:

- Analyse the ecosystem of an organization to provide context for an assessment
- Identify relevant strategic themes for an organization and ask strategically important questions
- Understand the EFQM Excellence Model (Criteria) and the RADAR Logic
- Learn to effectively apply the RADAR scoring to produce value adding performance analyses
- Learn how to interpret an assessment feedback report
- Learn the skills to act as an EFQM Assessor (apply RADAR scoring, define strengths and opportunities for improvement, develop an assessment report, etc.)
- Learn from Best Practice organizations (video, discussion)
- Understand the self-assessment process (case study)

Methodology

The workshop will be a mixture of exercises, discussions and presentations. During this practical training you will work with an award application document (MPWiK), analyse it and develop strengths and opportunities for improvement.

Benefits

The "EFQM Certified Assessor Training" is designed to give participants the skills and techniques to successfully organize and work in an assessment team. Following the training, participants should be able to start applying the skills they have learned by conducting a Self-Assessment in their organization and/or becoming a part of a team, conducting external EFQM assessments.

Pre-Requisites

Participants must have completed the EFQM Certified Foundation Training before attending this training. Prior to attending the workshop, participants will be required to complete pre-workshop exercises (approx. 8 hours). Failure to submit the pre-workshop work will result in automatic failure with no refund on the workshop fee. Contact us, if you need more information.

EFQM and ITQM Certificates

Participants who pass the training, will receive the official EFQM certificate "EFQM Certified Assessor" (valid for 3 years), and the ITQM Training Certificate.

Who should participate?
