

EXCELLENCE ASSESSOR SCORING CALIBRATION ONLINE TRAINING (BASED ON EFQM MODEL 2025)

Strengthen and Calibrate your EFQM Assessor Scoring Skills

Overview

For a successful EFQM Assessment it is absolutely essential that the EFQM Assessors are well trained in defining strengths and opportunities and are well calibrated when doing the RADAR scoring. During the EFQM Assessor Training, participants learned the theory about scoring.

This training was newly designed for EFQM Assessors who want to develop strong EFQM Assessor Scoring Skills. Using a case study, participants will further develop their skills by defining strengths and opportunities for improvement and by scoring several criterion parts.

Are you interested to gain routine in RADAR scoring? Then this training is for you!

Goals

After this online training, you will:

- have strengthened your skills in defining strengths and opportunities for improvement during an EFQM Assessment
- have strengthened your skills in scoring criterion parts during an EFQM Assessment
- have increased your self-confidence in the scoring process

Methodology

The workshop will be a mixture of exercises, discussions and presentations. During this practical training you will work with a case study, analyse the case and develop strengths and opportunities for improvement before scoring criterion parts. Through scoring of several criterion parts the participants will experience the calibration of their scoring skills.

Benefits

The "Excellence Assessor Scoring Calibration Online Training" is designed to give participants the skills and techniques to successfully define strengths and opportunities of improvement during an EFQM Assessment and be calibrated for the scoring process during the EFQM Assessment. This will improve the quality of an EFQM Assessment Feedback Report.

Pre-Requisites

Participants must have completed the EFQM Assessor Training (Model 2020 or 2025). With the registration, participants have to mail their EFQM Assessor Certificate. Prior to attending the training, participants will be required to complete a piece of pre-training work (approx. 2 hours). Failure to submit the pre-training work will result in automatic failure with no refund of the training fee. Please, contact us, if you need more information.

ITQM Training Certificate

Participants will receive the ITQM Training Certificate "Excellence Assessor with Scoring Competencies (EFQM Model 2025)".

Who should participate?

This workshop is designed for Certified EFQM Assessors (Model 2020 or 2025).

Workshop-Coach

Dr. Karl J. Koller is the Director of the Institute for Total Quality Management (ITQM), Zurich, Switzerland. He earned a master's degree in business administration (MBA) and received his doctorate in management from the University of St. Gallen, Switzerland. He worked and studied in the USA for several years. Dr. Koller has more than 25 years of practical experience with international companies as well as with universities. He has been working in the field of Total Quality Management for many years with a focus on top management in the TQM process and on the EFQM Excellence Model. In addition to his consulting activities, he spent several years as a visiting faculty member for Total Quality Management at a number of universities. During his doctoral studies he spent two years as a visiting research fellow at Northwestern University, Evanston, IL, USA.

Dr. Koller has published several articles about Quality Management and presented at national and international conferences. He conducts TQM study tours within the USA on a regular basis (TQM in manufacturing, logistics, higher education, health care).

Dr. Koller is an Assessor for the EFQM Excellence Award and an international accredited adviser/trainer of the European Foundation for Quality Management (EFQM), Brussels, a Six Sigma Black Belt (ASQ), a PROSCI Change Manager, and a QFD Black Belt (QFDI). He is a senior member of the American Society for Quality (ASQ), and member of the Association of Change Management Professionals (ACMP).
