EFQM ASSESSOR ONLINE TRAINING MODEL 2020

NEW
EFQM Model 2020

**Organize a Self-Assessment - Assess an Organization
Become a Certified EFQM Assessor**

Overview

This EFQM Assessor Online Training was newly designed (based on the EFQM Model 2020) for individuals who want to understand, apply the EFQM Model within their working environment, and know variations of organizational self-assessments or be part of a team conducting external EFQM assessments. Using award application documents, participants will learn the tasks of an EFQM Assessor. This training is also a pre-requisite for anyone who wishes to become an Award Assessor for EFQM.

Are you interested to learn how to use the EFQM Model to identify/drive improvements at your organisation? Do you want to expand your Excellence skills and get recognized as an EFQM Assessor (EFQM certificate, listing on the EFQM/ITQM websites). Then this training is for you!

Goals

- After this three-day-online-training, you will:
- Analyse the ecosystem of an organization to provide context for an assessment
 - Identify relevant strategic themes for an organization and ask strategically important questions
 - Understand the basics of the EFQM Excellence Model and the RADAR Logic
 - Learn to effectively apply the RADAR scoring to produce value adding performance analyses (calibration scoring skills))
 - Learn how to interpret an assessment feedback report
 - Understand how to organize a Self-Assessment
 - Understand the EFQM Excellence Model
 - Learn the skills to act as an EFQM Assessor (apply RADAR scoring, define strenghts and opportunities for improvement, develop an assessment report, etc.)
 - Learn from Best Practise organizations (video)
 - Understand the self-assessment process (case study)

Methodology

The workshop will be a mixture of exercises, discussions and presentations. During this practical training you will work with an award application document, analyse it and develop strenghts and opportunities for improvement before scoring the assessment report.

Benefits

The “EFQM Assessor Training” training is designed to give participants the skills and techniques to successfully organize and work in an assessment team. Following the training, participants should be able to start applying the skills they have learned by conducting a Self-Assessment in their organization and/or becoming a part of a team conducting external EFQM assessments.

Pre-Requisites

Participants must have completed the EFQM Foundation Training and a Post-Foundation Project before attending this workshop. Prior to attending the workshop, participants will be required to complete a piece of pre-workshop work (approx. 8 hours). Failure to submit the pre-workshop work will result in automatic failure with no refund on the workshop fee. Contact us, if you need more information.

Certificate

Participants who pass the workshop, will receive the official EFQM certificate “EFQM Assessor” which is valid for 3 years.

Who should participate?

This workshop is designed for Line Managers, Managers working in the field of Quality, Quality Specialists.

Workshop-Coach

Dr. Karl J. Koller is the Director of the Institute for Total Quality Management (ITQM), Zurich, Switzerland. He earned a master's degree in business administration (MBA) and received his doctorate in management from the University of St. Gallen, Switzerland. He worked and studied in the USA for several years. Dr. Koller has more than 25 years of practical experience with international companies as well as with universities. He has been working in the field of Total Quality Management for many years with a focus on management in the TQM process and on the EFQM Excellence Model. In addition to his consulting activities, he spent several years as a visiting faculty member for Total Quality Management at a number of universities. During his doctoral studies he spent two years as a visiting research fellow at Northwestern University, Evanston, IL, USA.

Dr. Koller has published several articles about Quality Management and presented at national and international conferences. He conducts TQM study tours within the USA on a regular basis (TQM in manufacturing, logistics, higher education, health care).

Dr. Koller is an Assessor for the EFQM Excellence Award and an international accredited adviser/trainer of the European Foundation for Quality Management (EFQM), Brussels, a Six Sigma Black Belt (ASQ), a Prosci Certified Change Practitioner, and a QFD Black Belt (QFDI). He is a senior member of the American Society for Quality (ASQ), and member of the Association of Change Management Professionals (ACMP).
