EFQM FOUNDATION TRAINING

Learn about Excellence

Introduce the EFQM Excellence Model to your organization

Overview

This Online EFQM Foundation Training is designed for individuals who want to get the core knowledge about the EFQM Model and how the EFQM Excellence Model can be used as a roadmap for Excellence. In some cases, the training will have fulfilled the learning needs of an individual. In many cases, the individual will want to consolidate his/her learning by applying the theory to a practical task.

The Post-Foundation Training projects provide an opportunity to consolidate the learning, as well as being a pre-requisite for the EFQM Assessor, EFQM Practitioner and EFQM Lens Trainings.

The circumstances for every individual will differ so the list of suitable projects is designed to provide flexibility. Upon completion of the project, a summary sheet should be completed and emailed to our institute.

Are you interested to learn how to use the EFQM Excellence Model? Or would you like to learn how the best organizations are Striving for Excellence? Then this training is for you!

Benefits

The "EFQM Foundation Training" is designed to get people in an organisation actively involved in using the EFQM Excellence Model to drive improvements. Following the training, participants should be able to start applying the skills they have learned to drive improvement teams or participate in a self-assessment.

After this seven-hour-online-training, you will be able to:

- Understand the basics of the EFQM Excellence Model, and the RADAR Logic
- explain how the EFQM Model could benefit your organization and how it could be used to overcome current and future challenges
- explain how the Model is structured and how the different elements apply to your organization
- conduct a high level "health-check" of your organization

Methodology

This online training is delivered through Adobe Connect utilising e-work rooms, videos and streamed trainers.

In this online training the trainer is also available for one to one Q&A after each session.

Who should participate?

This training is designed for CEOs, Department Managers, Managers working in the field of Quality.

Certificate

Participants receive the EFQM and ITQM Training Certificates.

Workshop-Coach

Dr. Karl J. Koller is the Director of the Institute for Total Quality Management (ITQM), Zurich, Switzerland. He earned a master's

degree in business administration (MBA) and received his doctorate in management from the University of St. Gallen, Switzerland. He worked and studied in the USA for several years. Dr. Koller has more than 25 years of practical experience with international companies as well as with universities. He has been working in the field of Total Quality Management for many years with a focus on management in the TQM process and on

the EFQM Excellence Model. In addition to his consulting activities, he spent several years as a visiting faculty member for Total Quality Management at a number of universities. During his doctoral studies he spent two years as a visiting research fellow at Northwestern University, Evanston, IL, USA.

Dr. Koller has published several articles about Quality Management and presented at national and international conferences. He conducts TQM study tours within the USA on a regular basis (TQM in manufacturing, logistics, higher education, health care).

Dr. Koller has been an Assessor for the EFQM Excellence Award and an international accredited advisor/trainer of the European Foundation for Quality Management (EFQM), Brussels for over 20 years, a Six Sigma Black Belt (ASQ), a Prosci Certified Change Practitioner, and a QFD Black Belt (QFDI). He is a senior member of the American Society for Quality (ASQ), and the Association of Change Management Professionals (ACMP).
