

EFQM[®] EFQM CERTIFIED MODEL FOUNDATION TRAINING

Learn about Excellence

Introduce the EFQM Excellence Model to your Organization

NEW
EFQM Model 2025
ONLINE Training

Overview

This EFQM Foundation Online Training is designed for individuals who want to get the core knowledge about the EFQM Model and to know how the EFQM Excellence Model can be used as a roadmap for Excellence. In some cases, the training will have fulfilled the learning needs of an individual. In many cases, the individual will want to consolidate his/her learning by applying the theory to a practical task.

Are you interested to learn how to use the EFQM Excellence Model? Or would you like to learn how the best organizations are Striving for Excellence? Then this training is for you!

Benefits

The "EFQM Certified Model Foundation Training" is designed to get people in an organisation actively involved in using the EFQM Excellence Model to drive improvements. Following the training, participants should be able to start applying the skills they have learned to drive improvement teams or participate in an EFQM Self-Assessment.

After this training, you will be able to:

- understand the basics of the EFQM Excellence Model, and the RADAR Logic
- explain how the EFQM Model could benefit your organization and how it could be used to overcome current and future challenges
- explain how the Model is structured and how the different elements apply to your organization
- conduct a high level "health-check" of your organization

Methodology

This online training is delivered through Adobe Connect / ZOOM utilising e-work rooms, videos.

In this online training the trainer is also available for one-to-one Q&A after each session.
